## **TELECINCO ENTERS TRIODOS BANK UNIVERSE OF ETHICAL INVESTEMENT**

**Telecinco's commitment with corporate social responsibility turns the network in the first listed Spanish broadcaster to get into the list**

*Telecinco has entered in October in the list of companies eligible for investment issued by the investment manager of Triodos Bank, after overcoming the socially responsible investment criteria set by the financial institution*

*Commitment to Corporate Responsibility adopted by the network has been evaluated positively in the study of the media sector (Global Broadcasting) developed by IAS (international analyst in sustainability) and Triodos Research for Triodos Bank*

*In this list, Telecinco shares presence with Spanish companies like Abertis Infraestructuras, Cintra, Danone, Gamesa, Gas Natural, Ferrovial, Iberdrola Renovables, Iberia, Inditex, Metrovacesa, Repsol and Telefonica, among other.*

*This inclusion enhances the chain's bid for Corporate Responsibility and allows it to move forward in the continuous improvement in sustainability .*
