

ANNUAL REPORT
OF THE AUDIT AND COMPLIANCE COMMITTEE
2017

I. Creation:

The Audit and Compliance Committee was created by agreement of the Board of Directors of Mediaset España Comunicación S.A. (Then Gestevisión Mediaset España, S.A.) in its meeting held on the 20th May 2004 and came into force after Gestevisión Mediaset España, S.A began listing on the stock market, on the 24th June 2004. The company joined the IBEX 35 on 3rd January 2005.

II. Composition:

The Audit and Compliance Committee has undergone a change in its composition during 2017 following the resignation of Messrs. Ángel Durández and José Ramón Álvarez-Rendueles in their positions as independent directors for having completed the term of 12 years since they were first appointed. After these resignations, its composition has been reduced and new appointments have been made, all to adapt to the requirements of good governance in force.

The Audit and Compliance Committee currently has the following members:

- Mr. Javier Díez de Polanco (Chairman – independent).
- Mr. Fedele Confalonieri (external proprietary).
- Mrs. Consuelo Crespo Bofill (independent).
- Mr. Marco Giordani (external proprietary).
- Mrs. Helena Revoredo delVechio (independent)

Outgoing directors and members of the Commission were as follows:

- Mr. Ángel Durández Adeva (Chairman – independent)
- Mr. Giuliano Adreani (external proprietary).
- Mr. Alfredo Messina (external proprietary).
- Mr. José Ramón Álvarez Rendueles (Independent)

The Audit and Compliance Committee would like to thank the outgoing members for their services and recognise the work carried out.

From a qualitative point of view, the composition of the Committee is as follows:

External Directors	5 = 100 %
Independent Directors	3 = 60%

In addition, following the provisions of both the Articles of Association and the Board of Directors Regulations and in accordance with corporate governance standards, the chairman, since the date that Mediaset España Comunicación, SA, began listing, is occupied by an Independent Director.

Since its beginning, the changes in the Audit and Compliance Committee have been gradually aimed at reinforcing its independence with respect to the internal management bodies of the Company, so that not only any Internal Counsel has become part of the Board of Directors, but the presence of Independent Directors in its midst has been consolidated.

You can find the CVs of those belonging to the Committee on the following Mediaset España website:

III. Regulation:

The Audit and Compliance Committee is regulated by the Articles of Association, whose current version was approved at the Shareholders Annual General Meeting on 15th April 2015 and the Regulations of the Board of Directors and in the Regulations of the Committee, whose last amendments were approved on December 20th, 2017.

Thus, the rules that regulate the composition and functioning of the Audit and Compliance have been fully aligned with the latest regulatory amendments to the Law 31/2014, of December 3rd amending the Companies Act for the improvement of corporate governance, and with the recommendations included in the Good Governance Code for Listed Companies, adopted on 18th February 2015 by the Board of the Spanish National Stock Market Commission (CNMV) and the Technical Guide 3/2017 on Audit Committees of Public Interest Entities published on June 27th, 2017 by the National Securities Market Commission.

IV. Functions:

The functions of the Audit and Compliance Committee are contained in the Articles of Association, the Board of Directors Regulations and primarily in its own regulatory Regulations, which include but are not limited to the generic and specific functions of the Committee:

1: Regarding the external auditors:

The Audit and Compliance Committee shall deal with all matters related to the external Auditors of the Mediaset España Group and shall be responsible for:

- a) Proposing to the Board of Directors the appointment, renewal or substitution of the Auditors, as well as the terms under which they are to be hired, and the time period for which they are appointed, and for that purpose, it must:
 1. define the procedure for selection of the auditor
 2. issue a reasoned proposal containing at least two alternatives for the selection of the auditor, except in the case of re-election thereof

In this respect, the Audit Committee shall refrain from proposing the appointment of any auditing firm when they are aware that i) The audit firm falls under any disqualifying circumstances according to the audit law and regulations, or ii) That the fees to be paid

by Mediaset to such an audit firm on all accounts are foreseen to exceed five percent (5%) of the company's total income during the previous business year.

The Audit and Compliance Committee shall propose the same auditors for Mediaset and the companies in its Group.

If the Auditors resign, the Committee shall examine the reasons for the decision.

b) Acting as a communication channel between the Board of Directors and the Auditors, evaluating the results of each audit and the response of the management team of Mediaset to the Auditors' recommendations; and mediating as well as acting as arbitrator in the event of disagreement between the management of Mediaset and the Auditors regarding the principles and policies to be applied in preparing the financial statements. In this regard, it shall ensure that no qualifications are included by the auditor in the accounts presented by the Board of Directors.

c) Ensuring that the external auditor holds an annual meeting with the full board of directors to inform them of the work that has been carried out and the evolution of the company's accounting and risk situation.

d) Proposing that the recommendations issued by the Auditors are complied with, unless the Committee considers that it should maintain its own criterion. In the latter case, it should explain the nature and scope of its discrepancy.

e) Annually issuing, prior to issuance of the audit report, a report expressly stating the opinion on whether the auditor's independence is compromised, which must be published on the Company's website in sufficient time to the celebration of the Ordinary General Meeting. This report shall include, in all cases, the valuation of the provision of additional services referred to in the following point g) considered individually and collectively, distinct from the statutory audit and in connection with the rules of independence or the regulations governing the audit.

f) Monitoring the performance of the audit agreement and ensuring that the opinion of the Auditors on the financial statements and the main part of the audit report are clearly and precisely worded.

g) Liaising with the Auditors in order to determine any issues that may threaten the latter's independence, and any other issues related to the carrying out of the audit work; and receiving information from, as well as communicating with the Auditors on the matters foreseen in audit laws and regulations as well as in auditing standards; in all cases, they must annually receive the external auditors declaration of independence, in relation to the Company or entities related to it directly or indirectly, as well as any class information of additional services provided and the fees received from these entities by the external auditors or by persons or entities related to them in accordance with the provisions of the auditing legislation.

h) Ensure the independence of the Auditors, paying attention to any circumstances or matters that might threaten this, as well as to any others related to the carrying out of the audit work.

- i) Ensure that the remuneration of the external auditor for their work does not compromise their quality or independence.
- j) Checking that the Auditors comply with the legislation in force regarding the provision of services other than those of auditing, which limits the concentration of the auditing business, as well as any other regulation which may endanger the Auditors' independence.
- k) Verifying that Mediaset communicates any change of Auditors to Spain's National Stock Market Commission (CNMV) by way of a Relevant Fact, accompanied if necessary by a declaration on the substance of any possible differences with the departing Auditors.
- k) Authorizing any contracts concluded between Mediaset and the Auditors for services outside the activity intrinsic to an audit.
- l) Authorize the contracts between Mediaset and the auditors of accounts unrelated to the audit activity of accounts and other than those prohibited, in the terms contemplated in the applicable regulations on the independence regime.
- m) Make a final evaluation about the performance of the auditor and how it has contributed to the quality of the audit and the integrity of the financial information.

2: Regarding the supervision of financial information

The Audit and Compliance Committee shall ensure that the periodic and the annual financial information supplied complies with legal requirements. It is responsible for:

- a) Supervising the accounts of Mediaset España and its Group, complying with the legal requirements and the correct application of accounting standards applicable in Spain and the International Accounting Standards (IAS), and issuing opinions on any proposals by management to modify accounting standards and criteria.
- b) Reviewing any financial information regularly supplied to the markets and their regulatory bodies before the information is issued, and ensuring that the information is drawn up according to the same principles and practices as the annual accounts.
- c) Overseeing the correct definition of the scope of consolidation of the Mediaset España Group.
- d) Report, in advance, to the Board of Directors, on the financial information that the Company must periodically make public.
- e) Ensure that the Board of Directors seeks to present the annual accounts to the General Shareholders' Meeting without limitations or qualifications in the audit report and, in exceptional cases where there are qualifications, both the Chairman of the Audit and Compliance Committee and the auditors will clearly explain to the shareholders the content and scope of said limitations or qualifications.

3: Regarding the Internal Control System of Financial Reporting (ICFR):

To ensure the reliability of financial information, the Audit and Compliance Committee is responsible for:

- a) Monitoring the preparation and integrity of financial information by reviewing the proper design of Mediaset's ICFR and compliance with regulatory requirements.
- b) Approve the internal audit plan for the evaluation of ICFR and receive periodic information on the outcome of their work and the plan of action to correct the deficiencies observed.
- c) Review, analyse and discuss the financial statements and other relevant financial information with senior management and internal and external auditors, to confirm that the information is reliable, understandable, and relevant and that accounting principles used are consistent with the previous year end.
- d) Monitor both the process developed by senior management to make judgements, valuations and significant estimates, assessing their impact on the financial statements, as decisions on the adjustments proposed by the external auditor, and to know and, where appropriate, mediate disagreements between them.
- e) Guarantee that Mediaset's ICFR assessment process has been designed in a way that achieves the objectives of the process and to validate the findings of the reports that are submitted by those involved in the assessment tasks.
- f) Monitor the continuous assessment, carried out by Mediaset, the organisation of control activities to obtain reasonable assurance about the implementation and operation of ICFR.
- g) Ensure that the information disclosed to the market on the rules of ICFR is clear and comprehensible and contain sufficient, accurate and necessary breakdowns.

4: Regarding internal control and relations with the Internal Audit Department:

The Audit and Compliance Committee shall check the correct operation of the internal information and control systems and supervise the operation of Mediaset España's Internal Audit Department. In this respect, it must:

- a) Supervise the effectiveness of the internal control of the Company and Internal Audit, as well as discuss with the auditor any significant weaknesses in the internal control system detected in the course of the audit, concluding on the level of confidence and reliability of the system. For this purpose, it may submit recommendations or proposals to the Board of Directors and the corresponding deadline for follow-up.

- b) Propose the selection, appointment, re-election and dismissal of the head of Mediaset España's Internal Audit Department.
- c) Supervise the Internal Audit Department and ensure that the Internal Audit Department carries out its functions with full freedom and independence, and that the management of Mediaset España take into account any recommendations the Department may make.
- d) Periodically find out about the actions and studies carried out by the Internal Audit Department; and propose its budget.
- e) Approve the Annual Internal Audit Plan and any other additional plans which may be necessary for organisational needs. The head of the Internal Audit Department shall inform the Committee of progress and any possible incidents in its execution of the plan, presenting an activity report at the end of each year. The Annual Plan shall be submitted for the approval of the Board of Directors, and it shall be made public to the extent considered suitable.
- f) To annually evaluate the performance of Internal Audit as well as the performance of its manager's functions, for which purpose it will obtain the opinion of the executive management.
- g) To be up to date as to the degree with which the various departments comply with the recommendations of the Internal Audit Department. In cases where there may be a threat to the interests of Mediaset España or its group, it should inform the Board of Directors.
- h) Review the compliance of any actions or measures taken as a consequence of the inspection reports or activities of the administrative supervisory and control authorities.

5: With regards to policy control and risk management:

The Audit and Compliance Committee is the body responsible for supervising and controlling the risk policy of Mediaset España, identifying possible risks, managing them and ensuring there is sufficient awareness of them. Its policy should:

- a) Determine all types of risks for Mediaset España, including operational, technological, financial, legal, and taxation, as well as any other risk faced by the company including contingent liabilities and other financial or economic risks;
- b) Determine an acceptable risk level for Mediaset España;
- c) If such risks should materialise, ensure there are mechanisms that can precisely determine measures to mitigate the impact of the identified risks;

- d) Establish internal communication and control measures to control and manage any risk.

The Committee will be responsible for re-evaluating, at least annually, the list of the most significant financial and non-financial risks and evaluating their tolerance level, proposing their adjustment to the Board, if applicable.

In addition, it will maintain, at least annually, a meeting with the heads of the business units in which they explain the business trends and associated risks.

Regarding related-party transactions, until this matter is passed on to another committee, the Audit and Compliance Committee shall be responsible for proposing the policy to be pursued in these kinds of transactions and for informing the Board of Directors of this policy. The policy on related-party transactions should be made public in the Annual Corporate Governance Report.

6: Regarding shareholders:

The Audit and Compliance Committee should maintain an ongoing channel of communication with the shareholders and in this regard inform the General Shareholders' Meeting of any matters which may be raised by the shareholders which are within the Committee's remit; in particular, on the result of the audit explaining how this has contributed to the integrity of the financial information and the role that the Committee has played in that process, it should also be aware of and if necessary respond to the initiatives, suggestions or complaints raised by the shareholders with respect to the scope of the Committee's functions when such questions are submitted to it by the Board of Directors.

7: Regarding transparency and the rules of corporate governance.

The Audit and Compliance Committee should ensure compliance with the rules of transparency and proper implementation of the rules of corporate governance and corporate social responsibility. It shall be responsible for:

- a) Following up on the observance of the rules on transparency and reporting to the Board of Directors on the subject.
- b) Checking timely compliance with the rules in force relating to communicating Relevant Facts.
- c) Informing the Board of Directors in advance of the creation or acquisition of shareholdings in special purpose entities or those domiciled in countries or territories which are considered tax havens, as well as any other transactions or operations of a similar nature which could, because of their complex nature, threaten the transparency of the Group.

- d) Report, prior to the Board of Directors Meeting, on the operations of structural and corporate changes planned by the Company, its economic conditions and its accounting impact and, especially, where applicable, on the proposed exchange ratio.
- e) Establish and supervise the mechanism that allows employees to report, confidentially and, if deemed appropriate, anonymously, of potentially significant irregularities, financial, accounting or otherwise, which they may detect in the Mediaset Group, receiving periodic information about its operation and being able to propose the opportune actions for its improvement and the reduction of the risk of irregularities in the future.
- f) Summon any employee or Director of the Mediaset España Group to require accountability for the matters which the Committee deems appropriate.
- g) Supervise adherence to the recommendations on corporate governance and corporate social responsibility, and in this regard:
 - i. Supervise compliance with the internal codes of conduct, in particular, the Internal Code of Conduct in securities markets and, in general, the rules of governance and make the necessary proposals for improvement. Likewise, the Committee will inform the Board prior to the approval and modifications of the internal codes of conduct of the Company and its Group, in particular, the Internal Code of Conduct in the Securities Market as well as the development of the internal rules are submitted for the approval of the Board of Directors.
 - ii. supervise the communication strategy and relationship with shareholders and investors, including small and medium shareholders;
 - iii. periodically assess the adequacy of the Company's corporate governance system, in order to fulfil its mission of promoting the corporate interest and take into account, as appropriate, the legitimate interests of the other stakeholders;
 - iv. review the Company's corporate responsibility policy, ensuring that it is aimed towards value creation;
 - v. the monitoring of corporate social responsibility strategy and practices and the evaluation of its degree of compliance;
 - vi. monitor and evaluate processes associated with different stakeholders;
 - vii. evaluate everything related to the non-financial risks of the Company (including operational, technological, legal, social, environmental, political and reputational risks); and
 - viii. Coordinate the process of reporting non-financial and diversity information, in accordance with applicable regulations and international reference standards.

The report issued, if applicable, by the Audit and Compliance Committee regarding the corporate social responsibility policy, will be published on the Company's website in advance of the Ordinary General Meeting.

VI. Activity Report:

For a better understanding of the activities undertaken by the Audit and Compliance Committee during 2017, it has been grouped into five categories:

- A. Financial-economic information
- B. External Audit
- C. Internal Audit - Annual Plan
- D. Corporate Governance Regulations
- E. Risk Control.
- F. Compliance and Prevention System
- G. Other

A. Economic and financial information.

Mediaset España's Audit and Compliance Committee has verified the following information during 2017:

- ✓ On a quarterly basis the Committee verified the financial information previously proposed to the Board for submission to the National Stock Market Commission (CNMV).

This periodic financial information, together with the relevant facts communicated to the National Stock Market Commission (CNMV), are also available on the corporate website <https://www.mediaset.es/inversores/es/>

- ✓ Supervise that Mediaset España and its Group's Consolidated Annual Accounts are presented under International Accounting Standards (IASs) approved by the European Union.
- ✓ The Committee has not issued opinions on management's proposals to modify accounting principles and criteria, as the formulation of Mediaset España and its Group's financial statements complies with current regulations.

- ✓ The Committee has analysed the Internal Control System of Financial Reporting (ICFR) in accordance with the requirements of Italian Law 262.

B. External Audit.

- ✓ The Audit Committee proposed to the Board of Directors the election of the firm "DELOITTE, SL" as auditors of "MEDIASET ESPAÑA COMUNICACIÓN, SA" and its Consolidated Group of Companies, for 2017, 2018 and 2019.

This audit company replaces "ERNST & YOUNG, S.L." for fulfilling the maximum legal term. The selection process to propose "DELOITTE, S.L." was carried out in accordance with the provisions of the Audit Act 22/2015, which in its article 40 establishes the rules on hiring, rotation and appointment of auditors, and in accordance with the provisions of Regulation (EU) No. 537/2014 of the European Parliament of April 16, 2014.

- ✓ The Internal Audit and Compliance Committee have been duly informed by the auditor of Mediaset España and its Group, of the audit's progress. In this sense, there have been several meetings with the audit team in which they have informed them of the status of their work.
- ✓ Mediaset España and its subsidiaries Audit Report on the individual and consolidated annual accounts was issued without qualifications.
- ✓ In view of the above, the Committee proposed to the Board the formulation of Mediaset España's individual and consolidated annual accounts, together with the corresponding audit reports.
- ✓ Meetings with the auditors have also been held prior to the Board of Directors approval of the interim financial accounts.
- ✓ "DELOITTE'S" fees corresponding to the 2017 annual accounts audit services, amounted to 272 thousand euros, of which those for auditing the annual accounts amounted to 89 thousand euros and 65 thousand euros to audit the financial statements of the Group companies. The fees corresponding to other professional services provided to the Group by the audit firm in 2017 have amounted to 65 thousand euros, which represents a 24.1% of the total amount invoiced by the audit firm, according to the following breakdown:

Limited Review of the semi-annual Accounts 2017:	€ 50,000
Annual ISAE 3000 Corporate Governance Report:	€ 2,000
ISAE 3000 Report on Directors Remuneration:	€ 2,500

D. Rules of Corporate Governance

- The Committee has approved the Annual Corporate Governance Report which was submitted to the Board, approved by a majority and subsequently communicated to the National Stock Market Commission (CNMV) and made available to shareholders.

The Annual Report was prepared in accordance with the provisions of article 540 of the Capital Companies Law, Order ECC / 461/2013, of March 20 and Circular 5/2013 of June 12 of the National Market Commission of Securities modified by Circular 7/2015, of December 22, of said Commission.

- Communications of relevant facts to the National Stock Market Commission (CNMV) have been made on time and correctly. A channel of communication has also been established with Mediaset España's institutional investors through the website and the Investor Relations Department.
- The Committee has analysed all related party transactions carried out by the Mediaset España Group's companies that were outside the ordinary course of trade or their respective activity, either for qualitative or quantitative reasons.
- The Committee has monitored the changes made in the Company's governance rules: the Board of Directors Regulations and the Audit and Compliance Committee Regulations.
- The Committee has continued with the implementation of the Crime Prevention Model.

E. Risk Control.

The Risk Management System implemented by Mediaset España Comunicación, S.A. (The "RMS" hereinafter) covers a series of processes and procedures developed internally in order to provide reasonable assurance of achieving the Group's objectives.

The RMS, based on the Enterprise Risk Management (ERM) framework of the Committee of Sponsoring Organizations of the Treadway Commission (COSO II), whose main objective is to provide the highest level of security, safety and transparency to our shareholders, to the various regulatory bodies National Stock Market Commission and the Spanish Competition and Markets Authority (CNMV, CNMC, etc.), to other stakeholders and, in general, the financial markets, and increase the company's value creation through proper risk management and leveraging opportunities that arise.

The RMS allows for the evaluation (in Euros) of the impact of each risk identified and which could potentially affect the Group's companies, its probability of materialisation and degree of control over each of them.

The Integral Management of Corporate Risk Policy is part of the said System and represents the framework on which the Integral Management of Corporate Risk Model (ERM) is based, which has the following principles:

- Ensure the effectiveness and efficiency of operations.
- Protect the assets owned by the Group.
- Ensure the reliability and integrity of financial information.
- Comply with the laws, regulations and applicable contracts.

With regards to the management bodies of Mediaset España Comunicación, S.A, the Board of Directors has been assigned the task of identifying the Group's main risks as well as implementing and following up on the information and internal control systems and suitable information. The Board of Directors of Mediaset España Comunicación, S.A is responsible for taking appropriate measures to reasonably ensure the implementation, maintenance and monitoring of an adequate internal control system, as well as the development of improvements to that system. During 2017 the Audit Committee has reviewed the updated risk map of the company in which it has included tax and criminal, financial and non-financial risks.

Additionally, one of the Audit and Compliance Committee's fundamental responsibilities is to know, check and monitor the adequacy and integrity of the financial information preparation processes and risk management systems.

The Internal Audit Management is responsible for:

- promoting and supporting risk management;
- assuring the Board of Directors of the effective supervision of the Internal Control System, by exercising an independent and objective corporate

function of assurance and consulting designed to add value and improve Mediaset España's operations;

- assessing, monitoring and tracking business risks identified and managed by each of the different areas and departments of Mediaset España Group's companies;
- evaluate, control and monitor the business risks identified and managed by each of the different areas and departments of the companies of the Mediaset España Group;
- Supervising and coordinating activities related to IT security and to continuously develop and review the internal procedures in risk areas.

As a tool for carrying out these functions, the Internal Audit Department prepares the Annual Audit Plan based on the evaluation of the risks and suggestions received from both the Audit and Compliance Committee, and the various General Managements. This plan is presented for discussion and approval to the Audit Committee and Compliance.

In this Plan, the Internal Audit Management specifies:

- The Internal Audit Department's annual objectives.
- List of activities to be carried out (review procedures, compliance audits, development of procedures, special assignments, etc.)
- The calendar for when these activities will take place.
- Work teams assigned to each activity.
- Number of hours scheduled for each job and total number of hours of the Plan.

With regards to the time invested by the Internal Audit Department during 2017, 68.6% of hours were spent performing operational and compliance audits, 11.9% of hours were spent consulting, 17.5% on evaluation and risk review and 2% on training.

In order to support Mediaset España Comunicación, S.A.'s annual accounts audit, during the second half of the year the Internal Audit Department's management and a team of specialists from the audit firm reviewed the control environment and security of the information systems, relating to the financial procedures and software applications that provide support thereto. During this work, the level of control and security processes applied to each business cycle was revised.

On the other hand, in addition to the controls established in each of the processes related to financial reporting and operational procedures, the Mediaset España Group has the following control units, as well as the Internal Audit Department:

- The Risk Committee, formed by the General Managers of Mediaset España Comunicación, Publiespaña and Publimedia Gestión and the Internal Audit Director, is a forum for common responses to the needs of management regarding risks, taking advantage of the synergies that may exist to efficiently carry out the minimization and control of the Group's risks. It facilitates the implementation of procedures that involve various General Managers and helps them in the daily operations of risk management. Finally, the Risk Committee is responsible for communicating to the Internal Audit Department, the need for procedures to satisfy the Risk control in its unit.
- The Control Units dependent on the General Operations' Management, carrying out controls related to budget management, expenses, meeting objectives and performance.
- The Purchases and Sales Committee supervises purchase transactions whose amount exceeds 20,000 euros. During 2017 the Committee met on 30 occasions.
- The IT Security Department conduct audits and periodic controls on existing systems and IT applications in Mediaset España's Group of companies.
- The Compliance and Prevention Unit, under the Audit and Compliance Committee and is formed by the Corporate General Director, the General Director of Management and Operations, Publiespaña's General Director and the General Director of Contents. The Internal Audit Director acts as Secretary of the same. Amongst its functions are the obligations related to the prevention of crimes and fraud Policy, the obligations related to the Code of Ethics and the obligations related to the Internal Code of Conduct in the Stock Markets. During 2017 the Committee met on 3 occasions

During 2017 the following risks affecting the Company and / or its group have materialised:

- (i) Measures taken by regulatory bodies: the company has been subject to several disciplinary proceedings for breach of the advertising emission limits and the rules on content qualification, although the impact on Mediaset's financial statements has not been material. The Corporate General Management has developed new awareness and control channels to minimise any possible non-compliance in terms of advertising and content qualification.
- (ii) The inherent risks of the audiovisual business, due to the fragmentation of the market, have been very well controlled by the company's high reaction capacity in relation to the content containment of its own and others' production, sporting events and news.
- (iii) No fiscal risk has materialized during the year 2017.

F. Compliance and Prevention System.

The Compliance and Prevention Unit was set up by the Audit and Compliance Committee of Mediaset España Comunicación, SA, at a meeting held on December 21, 2016.
